Marlene Bisbee:

I want them to take into consideration 400 busses that come through about 500 students at least will be crossing this area one way. I live along the tracks, the buzzer is very loud now, how am I going to get sleep. And the town of Barrington will be an absolute ghost town. I sell advertising and it is difficult for those retailers and this will split the town in half and now you have destroyed the town. There are four cross roads however everything will be funneled through Hill Side and Northwest Highway.
